In accordance with public notice requirements established at 42 CFR 447.205 and [IC 4-22-2-24\(d\)](#), the Indiana Family and Social Services Administration, Office of Medicaid Policy and Planning publishes this notice of proposed changes to the reimbursement methodology for nursing facilities. The agency is publishing this rule to establish stronger incentives for quality care in nursing facilities and to encourage the utilization of home and community based services for residents with low needs. This rule amendment to [405 IAC 1-14.6](#) makes changes to certain applicability dates, minimum occupancy rates, case mix index, and reimbursement provided to facilities with ventilator dependent residents and special care units. In addition, changes are being made to the profit and report card score add-ons. Finally, the rule extends the sunset date of the Closure and Conversion Fund. It is estimated that the fiscal impact of these changes will result in an annual decrease of expenditures of state and federal dollars in the amount of \$10.1 million.

All parties interested in the rule are invited to attend the hearing and offer public comments. In lieu of attendance at the hearing, written comments may be directed to IFSSA, Attention: Kevin Wild, 402 West Washington Street, Room W451, Indianapolis, Indiana 46204.
